

GET YOUR TAX PLANNING SORTED ✓

It's what we do...

Do you want to avoid a nasty surprise at year end?

Has your income changed dramatically this year?

Have you been effected by a drought or adverse event?

If you have answered "yes" to any of these questions it is time to take a look at your tax position.

The good news is we are here to help. We can estimate your tax position for the year and advise you of what tax is due and when. Take away the uncertainty and plan for the year ahead.

FARMING GROWTH[©]

Rural Accounting Specialists

A division of PKF Carr & Stanton Ltd

Benefits of us preparing your tax plan?

- You will have a clear understanding of your tax for the year ahead
- You will understand how your tax was calculated
- You will understand ways to minimise tax
- Your budget forecast can include tax making it more accurate

What do we do?

We provide you with a tax plan that:

- Calculates your tax for the year
- Projects your profit or loss for the year ahead
- Identifies your tax payment dates which you can enter into your budget

We also:

- Suggest options to minimise tax where possible
- File the appropriate tax forms with the IRD to lock in the payments

What do you need to do?

- Provide us with an up to date budget (or subscribe to our budgeting service)
- Provide us with forecast livestock movements
- Provide estimated closing stock tallies

Our Cost: From \$750 plus GST per tax review

Need more additional horsepower?

In addition to your tax plan we can help with:

- Setting your annual budget
- Budget revision
- Regular tax updates throughout the year

Our cost: *** POA***

Still not convinced? Existing clients have their say ...

"I love knowing that I'm not over-paying my tax"

"My income keeps fluctuating so it's comforting to know we are paying the right level of tax"

"I used to get my tax figure at the end of the year and wonder how I was going to pay it"

"When we suffered the drought, it was great knowing that there were options available to help with our tax"
