It's what we do ...

Are your payroll records messy?
Do you find KiwiSaver confusing?
Do you keep forgetting to file PAYE
returns on time?

These are all common questions we ask our rural clients who process their own Payroll and PAYE returns. Yes it can be cost effective to do your own, but think about the cost versus benefits of having us prepare it for you.

FARMING GROWTH[®]

Rural Accounting Specialists

A division of PKF Carr & Stanton Ltd

Benefits of us processing your Payroll

- Peace of mind knowing your payroll is taken care of by experts and completed on time
- We can provide payslips for your employees
- We can keep track of your employee leave balances
- We can ensure accuracy of wage calculations
- Free up your time to do the things you enjoy

Benefits of us processing your PAYE

- PAYE is prepared and filed on time preventing IRD penalties
- Free up your time to do the things you enjoy
- PAYE errors minimised so no stress if IRD come knocking

Payroll - What do we do?

- Review your current payroll record keeping system to ensure it's the most efficient system. If a change is required we will deal with this as a separate project.
- Arrange the most convenient way to record and receive hours worked
- Make sure allowances are treated correctly for tax purposes
- Make sure leave balances are tracked correctly
- Advise you of payments required
- Provide your employees with payslips

Our cost: *starting from \$50 plus GST per month. Fixed price agreed upfront for the year ahead so you know what to expect.*

PAYE - What do we do?

- Complete and file your PAYE return
- Advise you of the PAYE amount due
- Check IRD's assessment once processed

Our cost: *starting from \$40 plus GST per month. Fixed price agreed upfront for the year ahead so you know what to expect.*

What do you need to do?

- Tell us you are ready to hand over the Payroll and or PAYE processing function
- We will arrange a short consultation to go over your business and current systems
- We will provide you with an upfront monthly quote for the next 12 months
- We take care of the rest

Still not convinced? Existing clients have their say...

"KiwiSaver was a foreign language to me, the Farming Growth team take care of that now"

"I struggled with keeping accurate leave balances, now it's all formally recorded and my employees know where they stand"

"I didn't understand how to account for accommodation allowances and my PAYE return were a real mess"

"I realised I got to casual with my payroll records and it was time to change"

"I kept forgetting to file my PAYE on time and the penalties were adding up"
